If you want to change this when you create this mod then change the name of the main army to something else, and change the name of the other two Autobot armies to something else. Note: if you want to switch the three forces on or off individually, go to the "All", "Fly", and "Ground" files and uncheck the box you want to disable.Temporal aspects in the release of GABAergic neurons from the

Joel is a Dark Side individual/mentor/masturbator who loves working with (sociopathic) primates, and moderately enjoys conspiracy theories, The Matrix, End of Days, and Klaus; all of which he plays while calling for dead children, ritualistically eating soup dumplings, and wearing a wolf's head.

His main gaming creation (of which he has created a dozen, using the "Virtual Reality" style technology of Ken) is Beeeeeefs, in which you battle a large insectoid parasite, and the game title is pulled from the song "Bees Do It", by The Universe Smashers. Uncle Tickle spent an afternoon verbally taunting Joel, so Joel hereby makes him a teammate. To his left he has the jackass Master Decay, a graphics and animation wiz, and to his right his bastard nephew Hassan The Hormone Expert, a good old fashioned bloodsucking insectoid life form that suckles blood.

Trivia: Joel refuses to believe Heather
