FIFA 22 introduces the new “Ultimate Team” mode: this new mode offers new ways to play and compete, including tournaments, qualifiers and national leaderboards. Fifa Ultimate Team will allow gamers to take home the tools that players use to manage their squad.

Additional features include: Player Experience Player ratings have been expanded significantly. Factors including speed, pace, strength, skill, physicality and composure are now all factored into the rating of each player. New ball physics, including variable backspin, tighter pitch-side and free-kick mechanics and flight time are implemented across the whole game. Technical aspects of the new FIFA 22 engine also introduce the new ‘Smarter ball control’, designed to enhance the player’s sense of physicality on the ball. Further, the game makes use of more detailed roofing surfaces, improved player marker visibility and physics, and new player animation technology. FIFA 22 introduces “Live Player Motion Compression,” a feature that allows animations to be represented more efficiently, allowing for realistic, responsive gameplay. New Crosshairs feature. Players can now zoom in on specific body parts with the mouse or hotkey in any mode. “Score Shift” feature. Player shifts and goals are now scored instantly. Players can now use the left stick to pull off acrobatic saves or to shoot crosses. Goalkeepers can now dive across the goal line to block or to save in a far more impactful and realistic way. New animation system. A more detailed animation library and improved animation pipeline system allows for a more lifelike and authentic representation of the player’s movement. FIFA World Cup app enhancements The official FIFA World Cup app for iOS and Android is a dynamic, interactive and social tool designed to deliver the most comprehensive, real-time and accurate game information on the mobile.

The app includes: Live match commentary from the FIFA World Cup official broadcast partners in over 100 official languages worldwide. Real-time scoring, goal alerts, lineups, tournament results and statistics. 100+ curated content items, including in-match stories, team stats, player profiles, player comparisons, fans’ moments, editor’s picks, team videos, audio, and more. An all-new immersive video

The stadium had been identified as Dortmund's only remaining option even though the city's own facilities were considered more modern and would have made the Champions League fixtures more viable in the long term. However, unlike Dortmund, Schalke had made the same decision to join the Olympic Stadium, which in theory would allow a greater number of games to be played in a given season. After that decision was announced by the club

FIFA is the best-selling football series on the planet and EA SPORTS FIFA is the No.1-selling sports franchise of all-time. FIFA will be the platform for the best football athletes and clubs, teams, leagues and players in the world to reign supreme. Playing football is fun and easy. Creating football is easy and fun. FIFA is football. EA SPORTS FIFA 22 Beta testing news and features Developer Interview: EA SPORTS FIFA Chief Creative Officer, Peter Stamatios EA SPORTS FIFA Chief Creative Officer, Peter Stamatios, explores the fundamentals of football. Watch to see how the game reflects the game of football. Unlock the true potential of 23 new Ultimate Team™ players The FIFA World Cup™ is in full swing and the excitement continues as we introduce 23 new players to Ultimate Team™. Which of these football stars will you add to your player ranks in FIFA 22? We're starting off with some big news: we're bringing back the Ultimate Team Pick-a-Card and Pick-a-Challenge cards for FUT CHALLENGES, and we've completely re-imagined the Ultimate Team card collection in FIFA 22 Ultimate Team as a league of cards: UCL clubs, international clubs, and classic club collections to tackle every Ultimate Team style of play. You'll notice that the cards in FIFA 22 Ultimate Team have a new, more defined design with a logo and more colourful branding. We've spent a lot of time getting these cards together, so they're more exciting and fun to collect and win - it's the kind of level of refinement we've been adding to Ultimate Team for quite some time now. Rookies vs veterans With the introduction of the Pick-a-Card and Pick-a-Challenge cards for FIFA CHALLENGES, we've also seen a change in the new releases for Ultimate Team cards. The new FIFA 22 cards are dominated by rookies, with just two of the top-rated cards being historical legends. The difference between the new and old cards is immediately clear. For the first time in Ultimate Team, we're introducing a new feature to improve and improve fan engagement - no more waiting for the game to generate an Ultimate Team card. Have your say in the game of football, and when you build your team, the game will create a special and unique card that
