Additionally, it was also the first pack to include the new time line DLC for MW2: Playable Modern Warfare characters, maps, and story-driven missions from the original game. Sentry is a big fan of Modern Warfare 2. He even has a custom skin for it. The majority of his skins are from the new time line for the game. He's a fan of MW2 because it was the last game in the Call of Duty series that was revolutionary. It was revolutionary because it was a shooter that felt fresh and new. To this day, people still say that it was one of the best games in Call of Duty history. The Modern Warfare DLC Pack also has a custom skin for him: Because it was the first time a fully playable Sentry X-58 was c9d1549cdd

Following the successful release of Fernbus Simulator, the popular bus and train simulator, Gajjin Software published a new DLC featuring a completely new location: the island of Usedom. The island is located in the Baltic Sea and includes both Polish and German sections. -The Baltic coastline: In Ahlbeck and Usedom, you will be able to travel to the seaside locations and enjoy fresh sea air. You can also experience beautiful sunsets at the beach. -The middle part: Even deeper is the interior and the heart of the island. The island is divided into two parts between Germany and Poland, which can be selected. -The Usedom Nautical Museum: Open until September 2013, the museum features a collection of artefacts, including a large model of a German submarine. -The village of Usedom: We have added an entirely new destination to the island. The village of Usedom is divided into three sections, each of which represent a district: the 'Mitte', the 'West' and the 'Süd'. -The seaside resort of Ahlbeck: In all three sections of the village of Usedom, there is a seaside resort with a beach, several piers and a lighthouse, along with a campground. -The Usedom resort: In the West and Süd-districts of the village of Usedom, a seaside resort of the same name will be recreated. -The harbour in Usedom: Along with the new route to the seaside resort of Ahlbeck and the arrival of the bus to the Usedom resort, the port in the city of Wolgast will be opened to the public. -A variety of weather effects: You can experience a variety of weather effects in the middle part of the island and at the seaside resort and on the island of Usedom. The weather in the winter months can be especially dramatic! -Colourful recreation of the old Nautical Museum: The old Nautical Museum in the city of Wolgast is recreated, right down to the final details of the old and colourful windows and the large model of a submarine. -Lots of small villages: There are 12 smaller towns in and around Usedom that have already been recreated. -Camping and resorts: The pastime of camping and caravanning on the island has never been this much fun! -Visits to the lighthouse: There is
