This version.Fort Lauderdale Airport Corridor Master Plan The Fort Lauderdale Airport Corridor Master Plan is a plan to transform the airfield region in Fort Lauderdale, Florida. It is designed to improve public access to the water and revitalize the existing airport terminal area and surrounding areas. The initial Master Plan was released in 2012 with a draft updated in 2015. It was approved by the City's City Commission on June 16, 2016, and the project is expected to be completed in 2021. History The Port of Fort Lauderdale originally proposed moving the airport onto the grounds of the Port of Florida. However, the Airport Authority said that while they supported the concept, it would pose many challenges. The proposed location would have resulted in a significant increase in the amount of land required by the airport, leading to the need for
