The next time your computer breaks down, you can install a new hard drive, throw away your entire computer, and start over. There's nothing wrong with having one of these computers, and they're actually the devices of the future. Having a laptop is a lot more convenient than having a computer that's big enough to fit in a carry-on bag, but it is still big, and isn't as portable as a cell phone. The fact that one of these things is required for home and business use, and is not optional makes it one of the most valuable objects in existence. 2015-12-27 18:52:44 2015-12-27 18:52:44 [bitcoin buy 2015-12-27 18:53:01 C'est un site dont j'ai pas les droits 2015-12-27 18:52:58 I'm sorry, he's gone 2015-12-27 18:53:06 Nice to meet you 2015-12-27 18:53:08 What's your number? 2015-12-27 18:53:13 What do you like doing in your spare time
